You Save on Truck Load Orders

No packing charge.

Cheaper transportation rates.

Fast Service — overnight delivery at 400 miles distance.

Stock arrives at destination in excellent condition.

As a rule we can arrange transportation through local, reliable truckers at the following rates:

2 ton truck hauling 5 tons — 30¢ per mile one way.

10 wheeler truck hauling 10 tons — 35¢ per mile one way.

Tandem axle van holding 15 tons — 40c per mile one way.

You can readily see the advantage of the Tandem axle van as the cost per plant is cheapest, and generally speaking nursery stock moved in these closed vans arrives at the destination in excellent shape.
